

Dancing On Diamonds

Words & Music by Gary Soloman

**Dancing on diamonds, walking on air
Dancing on diamonds, wish you were here X2
Wish you were here**

**Went down to the water fall to find my escrow
I think about the times when the loving did flow
We lived in the moment, we lived on the line
Went down to the river, the river so wide
Looked down at my feet singing doctor my eyes**

**Dancing on diamonds, walking on air
Dancing on diamonds, wish you were here x2**

**Fell into the matrix of my desire
I looked into your eyes my heart caught fire
Climbed upon the mountain I could see
A million eyes staring back at me
Went down to the river, the river so wide
Looked down at my feet singing doctor my eyes
We lived in the moment and lived on the line
We lived in our hearts....the loving time, we had time**

**Dancing on diamonds, walking on air
Dancing on diamonds, wish you were here X2**

Wish you were here, wish you were here

**I don't need no complication
I don't need no reservation
To my hearts that's where I'll go
By the waters that I know**

**Dancing on diamonds, walking on air
Dancing on diamonds, wish you were here X2**
