***“Where Bo Diddley meets the Veronicas and channelling the 70’s vibe is where Soloman and Lacey are most at home”***

With seven Albums and 12 Single releases between them, ‘Soloman and Lacey’s’ are Gary Soloman and Tallulah Lacey, their rootsy contemporary pop songs have distinctive melodies, infectious rhythms and an instantly recognizable sound. They continue to perform live and consistently release new original material. The next full length Album from Gary and Tallulah will be their eighth Album release and is due out in the autumn of 2022 with a string of new single release’s leading up to when the Album drops.
